Objective

I am looking for a new job.

I prefer to have a job in accounting.

I do not mind working in other good reputation position like customer service, sales, or social media.

I accept a competitive salary package and I need a full-time job.

Experience

I'm job seeker now, I worked for Bank, e-commerce, and logistics during my career.

I had experience in two banks in the past so I'm familiar with Bank products.

These below are my main experience:

[October 2018] – [May 2021]

[Call center agent] | [Posta Plus]

[I answered customer queries about the company different products and services.

I achieved a lot of excellent KPI result many times during my career.]

[May 2017] – [Jan 2018]

[Customer services representative] | [Extensya]

[I worked for Extensya outsourcing company in Jordan Kingdom for a famous e-commerce project.

I was managed customer calls effectively and efficiently.]
